Hawaiian Territorial Bird Reservation

HAWAIIAN ISLANDS RESERVATION FOR PROTECTION OF NATIVE BIRDS, TERRITORY OF HAWAII, EMBRACING THE ISLETS AND REEFS SEGREGATED BY THE BROKEN LINE AND DESIGNATED "HAWAIIAN ISLANDS RESERVATION."

President Roosevelt, on February 3, 1909, signed an executive order proclaiming certain specified islands of the Hawaiian group, or more particularly those lying to the westward of Oahu, not including Midway, as a reservation for the protection of native birds.

Leopold G. Blackman, Special Inspector of Foreign Animals and Birds for the Territory of Hawaii, has just received from T. S. Palmer, in charge of game preservation, Bureau of Biological Survey, U. S. Department of Agriculture, Washington, a copy of the order. A. R. Blackman is asked to call this order to the attention of the Collector of Customs, the representative of the guano company operating in Laysan, and to any other persons interested, and suggested also that it be published for the information of the general public. The President's order reads:

Executive Order.
It is hereby ordered that the following islets and reefs, namely: Cure Island, Pearl and Hermes Reef, Laysan Island, Pearl Island, Laysan Island, Mary Reef, Dowsett's Reef, Gardner's Reef, French Frigate Shoal, Necker Island, Frost Island, Two Brothers Reef, and Bird Island, situated in the Pacific Ocean at and near the extreme western extension of the Hawaiian archipelago between latitudes twenty-three degrees and twenty-nine degrees north, and longitudes one hundred and sixty degrees and one hundred and eighty degrees west from Greenwich, and located within the area segregated by the broken lines shown upon the diagram hereto attached and made a part of this order, are hereby reserved and set apart, subject to valid existing rights, for the use of the Department of Agriculture as a preserve and breeding ground for native birds. It is unlawful for any person to hunt, trap, capture, wilfully destroy, or kill any bird of any kind whatever, or take the eggs of such birds within the limits of this reservation except under such rules and regulations as may be prescribed from time to time by the Secretary of Agriculture. Warning is expressly given to all persons not to commit any of the acts herein enumerated and which are prohibited by law.

This reservation to be known as the Hawaiian Islands Reservation.

CURE YOUR KIDNEYS.

Do Not Endanger Life When a Honolulu Citizen Shows You the Cure.

Why will people continue to suffer the agonies of kidney complaint, backache, headaches, languor, why allow themselves to become chronic invalids, when a certain cure is offered them?

Jurgen Walter of Honolulu, Hawaii, says: "I suffered from a lame back for years, and as my age was well past the ordinary span of life, I did not have much hope for relief. Doan's Backache Kidney Pills, procured at the Hollister Drug Co., however, benefited me greatly, and for that reason I heartily endorse them."

Doan's Backache Kidney Pills are sold by all druggists and storekeepers at 50 cents per box (six boxes \$2.50), or will be mailed on receipt of price by the Hollister Drug Co., Honolulu, wholesale agents for the Hawaiian Islands.

Remember the name, Doan's, and take no substitute.

Lieutenant A. S. Kibbee, U. S. N., is detached from the Independence, Mare Island Navy Yard, and ordered to the Buffalo.
